

CISV VOLUNTEER AGREEMENT FORM

Thousands of dedicated CISV volunteers organize and deliver special and rewarding experiences through a range of camp, family, and community—based programs every year. The same commitment is expected from our Rocky Mountain Denver families. When your family becomes involved in CISV, you are responsible for serving or donating in some capacity.

There are dozens of jobs that must be done or purchases that must be made...some big, some small, but all are very important to our success.

Your past or future involvement in the chapter bears weight on delegate selection. Should your child be selected for an international program, your family will be required to volunteer in one of our five committees below. Please indicate your top 2 committee choices below:

FUNDRAISING

- fundraiser event planning/donation acquisition, grant writing, like-minded organization (LMO)/partnership search, merchandise and store management, scholarship

HOSTING

- host program planning, host family coordination, laundry, food planning, transportation logistics

PLANNING

- venue search, safety and risk management, delegation liaisons, training

RECRUITMENT

- delegates, leaders, volunteers, mini-camp event planning

SOCIAL

- spring and fall chapter event planning, local impact, communications, publicity
